An Evening at Faith

July 20 at 7:30 PM

Everyone may recall that Alan started a concert series over a year ago called "An Evening at Faith." The purpose of the concert is to bring more classical-type music to Lenoir County utilizing local musicians. When Covid-19 hit, the February 2020 concert had to be cancelled and it has been impossible to schedule anything until now. So, having said that, Alan is pleased to announce the concert series is scheduled to begin on July 20th at 7:30 PM. The program will feature a beautiful string quartet by Alexander Borodin and hymn arrangements for string quartet by Alan Armstrong and Paul Anderson. In the past the stipends for the musicians were made possible by donations from those among the congregation who want to support great music in Kinston. If you are so inclined please speak to Linda Harrison or Dr. Armstrong.

Security Video Presentation

Following the morning worship service on June 27, we will view a short video on how Faith would respond should we experience a terrifying event while in the sanctuary/on campus. This includes events that are weather related as well as individuals looking to cause harm. The video was created by our very own "Drama Team!"

Thank You!

Wow! Big Thanks to Brad and Elaina Smith and the team that successfully fed around 100 teens and their leaders from Erasing the Lines mission camp! The FOOD was PHENOMENAL! The service to this ministry by your volunteering is what makes Faith a fabulous place to call home.

Love Offering

On Wednesday of this week we will send a check to the family of Salvador Chaires. Several of our family and ministries have mentioned about adding to our gift received last week. Please submit your gift by Wednesday morning so we may pass it along to the Chaires family.

No More!

No longer are we required to wear masks or keep a six foot distance from one another. According to CDC guidelines we can now move back to "normal" while worshipping together. However, the CDC still encourages you to wear a mask if you have not had your vaccine shots. Wearing a mask is your preference. You'll also find mask/hand sanitizer stations still in place.
